AT ARLINGTON NATIONAL CEMETERY

Since 2011, the Memorial Day Flowers Foundation has organized the placement of flowers at gravesites to honor those interred at Arlington National Cemetery. You and your company are invited to join us in this annual tradition.

The Foundation is currently halfway to the goal of procuring **250,000 flowers.** and is seeking sponsorships from patriotic companies across the country.

THE FLOWER TRIBUTE

This is a solemn occasion for volunteers and their families to participate in a profound act of remembrance. Volunteers will:

- Place a flower at each headstone.
- Read the inscription aloud to honor the interred.
- Take a moment to give thanks for their service.

HOW YOUR COMPANY CAN HELP

- Every \$1 donated provides one flower for a gravesite at Arlington National Cemetery.
- Corporate sponsors are invited to bring their teams to ANC to personally participate in the floral placement.

Help ensure every headstone is graced with a flower this Memorial Day.
